

FYI

FOR YOUR INFORMATION by Mayor Julia Mosley

Call 301-773-7891 to contact the Mayor. The Mayor's door at the Community Center is open to visitors on Monday evenings from 7:30 to 9:30 PM, except holidays or if otherwise posted.. See the Mayor's FYI next month.

Cheverly begins the Holiday Season with our **HOLIDAY TREE LIGHTING** in Legion Park on **Friday, December 5th at 7:00PM**. After we turn on the lights everyone is invited to go "Caroling" down Forest Road to Town Hall for entertainment and refreshments at **7:30PM**.

Start your holidays with your Cheverly neighbors at Town Hall. See you there!

CHILDREN'S HOLIDAY PARTY

Saturday, December 6th will be a big day in Cheverly because "SANTA" is coming to the Recreation Council's *Holiday Party*. Starting time is **11:00AM** with crafts entertainment, refreshments, and pictures with "Santa!" Santa will talk to every boy and girl. Everything takes place at the Community Center, it's a great way to start the holidays.

SANTA'S SECRET SHOP

The Cheverly Woman's Club will hold our annual Santa's Secret shop on **Saturday, December 6 from 9AM to 4 PM**. Santa's Secret Shop gives children the opportunity to shop for presents for family members and friends with the help of volunteers. The gifts are bagged and labeled so family members don't see them until the holidays! **Average price: \$2-\$5**. Please join us for a fun day with the REC Council's Holiday Party, great entertainment, spectacular shopping and delicious food!

GREEN INFRASTRUCTURE PLAN

by Councilmember RJ Eldridge - Calling all Cheverly Residents—we need your input to develop the best Green Infrastructure Plan for our community. Please join us for the first public forum on the Cheverly Green Plan on Wed., Nov. 12 from 7:00 to 9:00 pm in the cafeteria at the Judith Hoyer Early Childhood Education Center on Tuxedo Rd. The forum will feature speakers from The Conservation Fund, Prince George's County National Capital Park & Planning commission, and the Chesapeake Watershed Assistance Program. They will discuss what a green infrastructure plan is and how it can benefit Cheverly, and Prince George's County green infrastructure initiatives. The meeting will include an interactive mapping exercise for residents to provide input on the historical, economic, cultural, recreational, and ecological assets of Cheverly that should be considered in developing a green plan unique to our community. The goal for the establishment of a Cheverly Green Infrastructure Plan is to preserve, conserve, restore and sustain the natural environment of Cheverly and surrounding areas as an intact and healthy ecosystem through a community participatory process that balances the fulfillment of human needs and protection of the natural environment. Attend this public forum to contribute to and help guide future development, redevelopment, and investment policy decisions in Cheverly and to support proactive and sustainable actions in our town. The meeting are also open to the public and we welcome participation. The committee meets the first Monday of each month from 7:30 to 9:00 PM at the Cheverly Community Center. Additional subcommittees address a variety of issues related to the plan including science, tree canopy, land management and green buildings, storm water management, financing, and outreach and education. We welcome Cheverly residents interested in participating in these groups as well. For full details visit the Cheverly Green Infrastructure Plan website at <http://cheverlygreenplan.googlepages.com/home>.

STATE STREET & JUTEWOOD -

by Councilmember Lee Schachter

"The Town has installed a permanent yellow dividing line at the State and Jutwood streets curve. This intersection can be extremely dangerous if motorists do not keep to their side of the street or are traveling too fast. It is hoped that this traffic controlling device will improve the awareness of motorists traveling in the area of the dangers and the need to be alert in order to avoid accidents occurring. A street sign identifying State Street will also be installed at this intersection."

WOMAN'S CLUB - *by Councilmember Micah Watson*

The Woman's Club is happy to report that the Town Council is proclaiming May, 2009 as Cheverly's 2nd Month of Peace. We are already beginning to make plans for the calendar. We thank all the individuals and groups in town who took part in 2008 and invite you to continue and expand your peace efforts this time. We ask you to start thinking about what you'd like to do and let us know. If you participated before, we'll get in touch with you shortly after the holidays. If you'd like to take part for the first time, please contact me. Once again, we hope to exhibit what you've done for peace at Cheverly Day. We will include anything you do between now and the end of May in the exhibit. You don't have to wait until May. Please submit a poster to the Community Center or directly to Joyce Lang at joycelang@verizon.net, whenever you complete your project and exhibit. We're beginning to look for speakers for a forum at the end of the month and would appreciate any suggestions you have. We're also hoping to work with Mt. Rainier who has already agreed to declare May as their town's Month of Peace and with Greenbelt who is working on changing their month from October to May. If you're interested in helping to organize and plan our peace efforts please let me know. Remember..."Never doubt that a small group of people can change the world. Indeed, it's the only thing that ever has." (Margaret Mead)

CHEVERLY Recreation Council— There will be no meeting in November. Our meeting will be Tuesday December 2nd at 6:30 PM for our Holiday dinner. We will discuss the children's Holiday Party that will be held on Sat. December 6th at 11AM and the Flea Market.

Message from the Chief

Buddy Robshaw (policechief@cheverly-md.gov)

“Cheverly Watch” Program – The

Department has begun the training and radio issuance phase of this program in an effort to make real-time crime reporting a reality. From the comfort of their homes, resident volunteers will now be able to talk directly to patrol officers over portable radios and report suspicious circumstances, crimes in progress, and have access to criminal lookouts contemporaneous to the original event. In addition, these radios will be used to report emergency situations, accidents, and other situations requiring a police or fire department response. There are still a number of slots available, especially to those residents living in Hanson Arms/Cheverly Terrace, so please contact me if you have an interest in this groundbreaking opportunity.

THANKS! – As many of you know, the Code Enforcement Officer and myself inventory the entire Town monthly for abandoned, unlicensed, or inoperable vehicles. It is not unusual for us to develop a list of anywhere between 30 and 50 vehicles whose owners need a little prompting to correct these issues. On our last inspection, we only found 10 such vehicles in violation. Thanks to everyone who contributed to making Cheverly a cleaner and safer place to live.

VEHICLE DONATIONS - Thanks to several residents generous donations of their used vehicles, the Department was recently able to upgrade five (5) more of our issued duty weapons to newer models with improved sights. Contributions such as these have also enabled us to purchase new Tasers, in-car computers, “The Club,” and new or updated safety equipment (sirens, lights, etc.) for Departmental vehicles.

TRAFFIC COMPLAINTS – Residents who Email their traffic complaints, i.e., speeding, stop sign violations, parking complaints, etc., get put onto a list right away and service is usually directed toward these problems within a week. My Email address is policechief@cheverly-md.gov. This same address can be used to notify me about issues in your neighborhood that need police attention. In lieu of an email, please feel free to contact me at (301) 341-1055.

CRIME MAPPING – The Cheverly Police Department, through a grant administered by the Maryland State Police, has recently begun a crime mapping program. Any resident interested in how crime is mapped in the Town is directed to go to CrimeReports.com, click on the State of Maryland, and then highlight the “Cheverly” icon. You can zoom in and out to see how Cheverly compares with other local jurisdictions or see what is happening on your individual street.

Electronics Recycling Update

The Mayor and Town Council are very excited that the Town's first collection of electronic equipment for recycling was a success. The Town's crews collected and delivered to the recycler three pallets with televisions and boxes full of computers, phones, video games and other electronic equipment. Countless words can be used to illustrate the Town's first electronic recycling effort but as the saying goes "one picture is worth a thousand words." It is hoped that these pictures will encourage all to recycle their electronic equipment when it becomes necessary, by placing it by the curb on Wednesdays.

LEAF COLLECTION **PROCEDURES**

Vacuum Leaves:

- Rake leaves between the curb and sidewalk - not on the street or sidewalk - only on your assigned collection day.
- Keep leaves free of twigs, branches, metal, concrete and other debris that can jam or damage the equipment.
- Please do not park cars on the street on the assigned collection day.

Bag Leaves: Yard waste is collected on **MONDAYS**. Put bags at the curb on Sunday evening. Use **CLEAR PLASTIC BAGS** only (sold at Town Hall or Public Works - \$5 for 50 bags). Yard waste includes leaves, grass, brush, twigs, etc. Do not put any dirt, rocks, or other trash/debris in these bags. **Bamboo is collected on Thur & Fri w/bulk trash.**

If you have any questions, please call Public Works at 301-773-2666.

Need help with YARD WORK? To assist our elderly, and other residents who need help with yard work, Cheverly maintains this list of teenagers who are interested in being hired for mowing lawns, raking leaves, shoveling snow, etc.

301-772-6028	Andrew & Ashley Priest

Cheverly teenagers can call the town office at 773-8360 if they wish to add their names to this list.

REMEMBER **RECYCLING IS FREE**

Recycle more, dispose of refuse less. Use those blue or yellow bins every Wednesday to dispose of paper, plastic, glass, cardboard, newspapers, etc.

No need to separate, just put it all together.

PAINT DISPOSAL

Did you know that paint can last for years? Just cover the opening with plastic wrap and replace the lid; make sure the lid fits securely. Then, and here's the key step: store the paint can upside down. The paint will create a tight seal around the lid, keeping the paint fresh until you need it again.

Use up all your paint. Leftover paint can be used on touch-up jobs and smaller projects. You can also blend & mix smaller quantities of similar colors of latex paint to use on larger jobs, or as a primer on jobs where the final finish is not critical.

If you just can't use your leftover paint, donate it to community groups, theater groups, schools, churches and others who need or want it. It may even be a tax deduction!

As a last resort, dispose of paint properly. Dry leftover latex paint and discard it. Let paint air dry away from children and pets. Pour your excess paint into a paper box or bag, add absorbent material such as shredded newspaper and cat box filler to speed drying then throw the dried paint away with your normal trash.

Liquid solvent-based paint should not be discarded with normal trash. Household Hazardous Waste Acceptance Days are Thursday, Friday and Saturday from 7:30AM to 3:30PM at the Brown Station Landfill.
